Silent Auction

*---February 14, 21, & 28, 2010---*

We're looking for donations for the silent auction coming this February. It's not a rummage sale. It's a reflection of the diversity and talent that makes our congregation strong (plus we might learn something new about one another).

So...

- Are you an accountant who is willing to donate your services to prepare another person's taxes?
- Are you an artist who is willing to donate a painting or sculpture?
- Are you a knitter who is willing to donate your skill to knit a scarf or small sweater?
- Are you an architect who is willing to donate a sketch of a dream kitchen or home addition?
- Are you a cook who is willing to prepare a meal?
- Can you wash a car, paint a room, trim a tree or shovel some snow?
- Are you willing to donate one Sunday of your Viking season ticket package?
- How about a weekend at your cabin?

**We all have gifts, talents, and skills. What are yours?**
