Making the Window Bigger:

The Facebook feed video is small. Here are a few ways to make it bigger.

IF VIEWING ON OUR WEBSITE VIA THE FB FEED: [HAMLINECHURCH.ORG/WORSHIP/LIVE-STREAM/](https://hamlinechurch.org/worship/live-stream/)

1. Once on the page scroll to the “Facebook Newsfeed”
2. When you see the live stream, click the “Play” icon.
3. Click on the “f” Facebook icon in the lower right corner to open in a new tab.

From here you can click on the expanding arrows in the lower right corner to make the video fullscreen.

IF VIEWING ON FACEBOOK: [FACEBOOK.COM/HAMLINECHURCHUM/](https://facebook.com/hamlinechurchum/)

1. The live stream should be at the top of the news feed. Once it's live click the “Play” icon. (refresh page if you don't see the live stream right away, it might take a minute to start).
2. Click on the arrows icon in the lower right corner to open a larger window.

Sound issues:

We are working to make sound as clear and loud as we can. Make sure your volume on your computer is as loud as you can, and be sure to turn the video volume up (info below). Headphones plugged into your phone or computer will likely help!

If you don't hear sound...

1. Click on volume icon on bottom right of video (if there is an 'x' by the sound icon it's currently muted.) Click and drag the slider all the way up to turn up the volume.

2. Make sure your computer volume is turned on/up

If you missed the live stream:

1. Open a Internet browser and type in:
www.hamlinechurch.org/worship/live-stream

2. Scroll down on the page to the section “Archives of worship live stream available here.” and click on the video play button to begin viewing.

Archives of worship live stream available here.
