- Hamline Church Dining Hall

# YOUTH MINISTRY AT HAMLINE CHURCH

FAMILIES AND YOUTH, 6TH-12TH GRADE

At Hamline Church, we offer opportunities for youth to explore their faith through formation and worship, to connect with one another and with the larger congregation, and to share God's love through service and connection in the community.

## WORSHIP

### Sundays at 10am

Youth and their families are welcome in worship every week, and can serve as leadership by reading scripture, singing in the band, or greeting.

### Confirmation Class

Confirmation is a two-year program for youth in 7th grade and older to explore what it means to be part of a faith community. This year we meet on Wednesday evenings.

## FELLOWSHIP

**Connecting:** We're in a time of discernment and reimagining our youth program this year - join us as we build something together!

**Special Events:** Tell us about the special games/recitals/programs in your lives so that we can come and cheer you on!

**Family Winter Retreat:** A special weekend for rest and connection at Northern Pines in January.

## SERVE

**We connect with Hamline's ministry partners** to serve throughout the year: Emma Norton Services, SafeZone, Dorothy Day, and Everymeal. If you have a connection you'd like us to partner with, let us know!

**Young Leaders Program:** Our paid summer program focuses on fostering leadership within the youth of our community. Look for applications in May!

**Children's Ministry:** Youth regularly serve with our children in a variety of ways.

**Summer Trips:** We spend a week in service, learning, and growing in late July/early August.
